

Blackmore Partners has launched a search for potential target companies to include in one of our acquisition projects. We are willing to pay those who aid and assist in the completion of a deal with a referral fee (typical range \$20k-\$150k), upon the conclusion of the deal. Furthermore, you can earn compensation by potentially consulting on the due diligence process.

Specifications	
Our Client	The Company (the prospective acquirer) is a leading US manufacturer and fabricator of ductile iron pipe, ductile iron fittings, joint restraint systems, and other ductile iron and steel products for use in drinking water and wastewater infrastructure construction, typically procured by waterworks distributors, contractors, municipalities, utilities, and other governmental agencies.
Industries	Municipal Water, Wastewater, Gray and Ductile Iron Foundries, Fabricated Metal Products, Iron Foundries, Plastics and Pipe Fitting Manufacturing, and Fabricated Pipe and Pipe Fitting Manufacturing.
Location	North America.
EBITDA	No minimum requirement.
Revenue	\$15-200 Million
Focus	Should use Ductile Iron, High Performance Plastics, PVC, HDPE, or Steel in products.

If you have any information of a potential target, know someone we should reach out to, or have any questions please contact Zane Hendricks at:
