

Project Brown

BMP

Blackmore Partners has launched a search for potential target companies to include in one of our acquisition projects. We are willing to pay those who aid and assist in the completion of a deal with a referral fee (typical range \$20k-\$150k), upon the conclusion of the deal. Furthermore, you can earn compensation by potentially consulting on the due diligence process.

Specifications	
Our Client	Is a market leading designer and manufacturer of innovative packaging solutions including blow-molded packaging and liquid dispensing products. Their offerings range across broad platforms reaching the medical diagnostics, healthcare, food and beverage and household and industrial chemicals end markets.
