

CEO of a Private Equity Owned Condiment Manufacturing Company

Job Description

Blackmore Partners is seeking candidates for CEO at a PE owned company in the food industry, specifically in condiments and sauces, with prior experience with Private Equity backed companies.

Candidate Profile

The successful candidate will have experience with private label and branded companies, preferably experience moving private labels towards branded. The successful candidate should also have experience working in a fast-growing business and experience strategically steering companies. The ideal candidate will be self-confident, action-oriented, a self-starter, and a strategic thinker.

Qualifications:

- Experienced CEO with a P&L over \$75 million
- Experience managing middle market companies
- Committed to results and improving EBITDA
- Experience as a product manager or product developer
- Must be willing to relocate or commute to Maine.
- Experience with a Private Equity backed company is a must and strongly prefer the candidates to have prior experience with PE ownership
- M&A experience is a plus

We will only reach out to those who are qualified and please make sure you list the PE experience and the sizes of the companies you have relevant experience in so to be considered.
