

Project Apollo

BMP

Blackmore Partners has launched a search for potential target companies to include in one of our acquisition projects. We are willing to pay those who aid and assist in the completion of a deal with a referral fee (typical range \$20k-\$150k), upon the conclusion of the deal. Furthermore, you can earn compensation by potentially consulting on the due diligence process.

Specifications	
Our Client	Market leading designer, developer, manufacturer, and supplier of aircraft parts and also an assembler for commercial and military authorities throughout the world.
Industries	Aerospace and Defense, Composites Manufacturing, Mechanical and Structural Components Manufacturing
Location	United States.
EBITDA	\$2-25 Million
Revenue	\$10 – 500 Million
Focus	Specialize in the manufacture and fabrication of Aircraft Structural Components, Manifolds & Ducts, Subcontracted Composite Parts, such as wings and other complex assemblies for commercial and military fixed and rotary wing aircraft.
Financial History	Financial history is deemed necessary as start-ups will not be considered.

If you have any information of a potential target, know someone we should reach out to, or have any questions please contact Gerald O'Dwyer at:
